

Volunteer Board Members

K3C Community Counselling Centres is a not-for-profit agency governed by a volunteer board of directors. Our mission is to provide quality counselling and support in order to encourage individual and family strengths. We operate many programs including, but not limited to, Family, Youth and Women's Counselling, Employee Assistance Programs, Credit Counselling, Adult Protective Services, Partner Assault Response and Mediation. Our Guiding Principles are as follows:

- All people have the right to dignity and respect and to be treated fairly and honestly;
- All people have the right to access resources in their community;
- Open and honest communication is to be fostered and encouraged between and with all people.

We are currently looking to attract new members to join our dynamic Board of Directors. If you have experience and/or expertise in the areas of social work, finance, human resources, government, the law, or as a former service user and more importantly have a shared interest in, and strong commitment to, our mission and principles, please consider joining us.

Interested individuals are encouraged to express their interest in writing to the attention of:
